The Honorable Richard Corcoran
Speaker of the Florida House of Representatives
420 The Capitol
402 South Monroe Street
Tallahassee, FL 32399-1300

Dear Mr. Speaker,

It has been a true honor and privilege to serve the people of Florida as a member of the Board of Triumph Gulf Coast, Inc. I believe we have made great strides toward establishing transparent, fair and equitable procedures for the distribution of funds recovered as a result of the 2010 Deepwater Horizon oil spill.

Unfortunately, I am no longer able to devote the time to this effort that I believe it deserves and demands. Therefore, regretfully, I must tender my resignation from the Board of Triumph Gulf Coast, Inc.

I want to express my deepest gratitude to you, Speaker Steve Crisafulli and Speaker Will Weatherford for your confidence in me and for allowing me to serve my neighbors, and all the people of Florida, in this important role.

I hope my efforts thus far have been effective and appreciated, and I leave the Board confident that the people of Northwest Florida will be well served by the Board and by the process in place as we seek to continue our recovery from that disaster and the impacts it had on our special piece of this great state.

Very truly yours,

Robert A. Bonezzi
