St. Marks Waterfronts supports the City of St. Marks seeking funding of a Riverwalk to be installed along the St Marks River. This project has been on the City's list of enhancements for years. It is time for it to be completed. The creation of the Riverwalk will expand public access to the Waterfront by 1,500 linear feet.

This project will open up the waterfront along the St. Marks River to the public from the San Marcos de Apalachee State Park (the junction of the Wakulla and St. Marks River) to the business district of the town of St Marks. The St Marks Riverwalk project will transform the waterfront for walking, cycling, and fishing into the center of the city.

We enthusiastically support the grant application and encourage the acceptance of the grant application for the St Marks Riverwalk project and amenities.

Sincerely,

Billy Bishop

Dear Zoe,

This letter is to request support of the City of St Marks for funding of a Riverwalk to be installed along the St Marks River. The City's civic and business leaders have envisioned the creation of the Riverwalk expanding over 1,500 linear feet that opens up the riverfront to residential, business, cultural and retail properties.

This project will open up the waterfront along the St Marks River to the public and from the San Marcos de Apalachee State Park from the junction of the Wakulla and St Marks River to the business district of the town of St Marks. Dear Chairman Bense,

On behalf of the Wakulla County Tourist Development Council I am writing this letter in support of Triumph funding for the City of St. Marks Riverwalk project.

This project proposes to construct a 1,500-foot linear river walk along the St. Marks River that would connect the historical San Marcos de Apalachee State Park and residential, business and retail properties in the City of St. Marks. The St. Marks Riverwalk will also connect to the existing St. Marks Bike Trail which starts in Leon County and terminates in the of City St. Marks, Wakulla County, Florida.

The St. Marks Riverwalk project will transform St. Marks by opening up the St. Marks River to be enjoyed by all citizens and visitors for dining, shopping, cycling, walking, fishing or nature observation. It will become another destination location in the region for those looking for the outdoor experience or desiring to open a small business.

Consideration by the Gulf Coast Triumph, Inc. Board to fund this project is greatly appreciated.

Regards.
