Triumph Gulf Coast, Inc.
Board of Directors
Attn: Mr. Don Gaetz, Chairman

Dear Chairman Gaetz,

Thank you for the opportunity to submit this letter on behalf of Tallahassee Community College as they seek \$15 million to fund construction of the second phase of its Wakulla Environmental Institute and create a Training Center of Excellence (WEI Training Center of Excellence).

This project would not only create new industries, employment and education opportunities, but it would also revolve around the requirements that the project promote education, conservation and recreation. If funding is secured, WEI Training Center of Excellence, would offer 28 education and workforce training programs that are all either credit or certificate based.

Therefore, I respectfully request that TCC be given all due consideration for funding through this grant opportunity.

Sincerely,

Neal P.
