On behalf of the Bay County Board of County Commissioners, we would like to thank you for recent letter and offer of assistance on behalf of the Triumph Board.

During our December 18, 2018 County Commission meeting, County Manager, Robert J. Majka Jr. presented a memo to the Commission and after discussion it was decided to leave our priority project list as is but to prepare for a future ad-valorem tax relief project during our budget process if necessary as part of the recovery effort.

Respectfully

Philip "Griff" Griffitts
