Re: Haney HVAC Renovation Project

Dear Ann:

This is to advise you that the Board of Directors of Triumph Gulf Coast, Inc., has approved your request, as stated in your April 16, 2019 letter, to extend the development and implementation of the enhanced skills "Pilot Program" until the construction phase of the project has been completed. This approval was made at the Board's April 29, 2019, meeting and will be reflected in the minutes of that meeting. Please note that this approval does not constitute a waiver or amendment of any other provision of the Grant Award Agreement.

We look forward to continuing to support the project under the Grant Award Agreement.

Sincerely,

Cori Henderson
Program Administrator
