RE: Request to place Triumph Application #169 Lynn Haven Commerce Park Expansion on Hold

Dear Mr. Gaetz:

The City of Lynn Haven is hereby requesting to place the Lynn Haven Commerce Park project application on hold effective immediately. The impacts of Hurricane Michael on our local businesses and our community require us to revisit and possibly make some adjustments to the project parameters. We sincerely appreciate your understanding and will let you know when we are ready to determine next steps.

Sincerely,

A handwritten signature in blue ink that reads "Vickie Gainer". The signature is fluid and cursive.
