RE: Triumph Gulf Coast, Inc./Grant Application for Proposal #5

Dear Mr. Harrell:

At a meeting on June 20, 2019, the Board of Directors of Triumph Gulf Coast, Inc. ("Triumph") adopted a motion to lay the approval of a Grant Award Agreement for Proposal #5 on the table with the understanding that a specially called telephonic meeting of the Triumph Gulf Coast Board would be held as soon as possible after the Escambia County School District took action to review and approve the agreement. As of this date, there has been no response from the Escambia County School District to the Triumph Gulf Coast Grant Award Agreement offer.

The application was for a \$2,329,302.74 grant for diversification of the economy via sector specific workforce development training.

Because a definitive grant award agreement was not executed by you within 180 days of application approval, in accordance with Triumph policy the approval has been automatically revoked. Triumph has closed its file and will take no further action on the grant application.

Triumph Gulf Coast, Inc. looks forward to future opportunities to work with the Escambia County School District to find meaningful ways to diversify the local economy.

Sincerely,

Susan Skelton  
Executive Director  
Triumph Gulf Coast, Inc.
