Dear Chairman Bear,

Please allow this memorandum to serve as an application update for the First Responder Communication System for Franklin County.

After discussion with staff, it was recommended that we amend our application and break it into 2 phases.

Phase I: Procuring and Hiring of a Communications Consultant

Phase II: Equipment Purchase/Training/Implementation

The Franklin County Board of County Commissioners will provide \$25,000 in local match for the funding of Phase I.

Thank you in advance for your support and assistance in obtaining the funds for this much needed improvement to Franklin County's first responder communication system.

Sincerely,

Ricky D. Jones
Chairman
