The Grant shall be allocated as more fully shown in the Budget attached hereto as **Exhibit “B”** (the “**Budget**”).

Grantee shall submit to Triumph a separate Request for Funding for each Budget category in accordance with the Budget and shall submit information pursuant to a SmartSheet system by Grantee’s authorized users. After the first Request for Funding, each subsequent Request for Funding may only be submitted after Triumph’s approval of the immediately preceding Request for Funding. Each Request for Funding shall include the following items (A) through (H): (A) completed detailed Project account spreadsheet (i.e., in a tab on the Budget), (B) a completed Expense Itemization Sheet in a form provided by Triumph (“**Expense Itemization Sheet**”) for each category of funds requested and a separate form for the Matching Funds category, together with invoices, receipts, or contracts from vendors providing equipment, materials, labor, and services; (C) payroll ledgers, percentage of time dedicated to the Project, and job descriptions as they relate to the Project, (D) documentation evidencing the completion of the work that is the subject of the requested funding, (E) to the extent that any portion of the current funding request is

for reimbursement of amounts already paid by Grantee, copies of front and back of cancelled checks for funding, (F) to the extent that all or any portion of the prior funding was a disbursement for items to be paid rather than a reimbursement of amounts already paid, a completed Expense Itemization Sheet and receipts or other documentation evidencing that the funds disbursed previously were in fact paid in the proper amounts to the proper vendors for such items, including copies of front and back of cancelled checks for funding, (G) copies of the insurance policies required under the Agreement and evidence that such policies are in current force and effect, and (H) such other documents as Triumph shall require in order to determine that the funding is consistent with the purposes of the Grant. Grantee shall notify the Triumph Program Administrator via email each time a Request for Funding is submitted. Other than the final Request for Funding, no single Request for Funding shall be submitted for a funding request amount of less than \$238,938. In no event shall the cumulative fundings made by Triumph exceed the \$9,557,500 maximum amount of the Grant. Upon Triumph's receipt of (a) notification to the Program Administrator, and (b) a Request for Funding that includes all required supporting documents, Triumph shall have forty-five (45) days from receipt to review and either approve or disapprove of a Request for Funding. If Triumph approves a Request for Funding, then it shall fund the approved amount to Grantee within thirty (30) days after approval. If Triumph disapproves a Request for Funding, Triumph shall deliver a notice of disapproval within such forty-five (45) day period that states the reasons for such disapproval. If the stated reasons for disapproval can be cured by Grantee's submittal of missing or corrective items, Grantee shall have thirty (30) days following receipt of the notice of disapproval to submit such missing or corrective items. If Triumph fails to notify Grantee of its approval or disapproval of the Request for Funding within forty-five (45) days of receipt, such Request for Funding shall be deemed disapproved.

All amounts funded to Grantee pursuant to a Request for Funding shall be paid to Grantee as a reimbursement of amounts Grantee has already paid to vendors supplying equipment, materials, or services, and/or to employees performing work, in each case consistent with the Budget, in which case the Grant funds shall be retained by Grantee.

None of the Grant shall be used as a reimbursement of items purchased by Grantee prior to the date of the Agreement. None of the amounts paid by Grantee in connection with the invoices submitted in a Request for Funding and then funded by Triumph shall also have been or will in the future be in any manner (a) reimbursed, returned, refunded, rebated, or otherwise credited to, Grantee by any contractor, materialman, vendor, or

any other person or entity, or (b) paid, reimbursed, returned, refunded, rebated, or otherwise credited to Grantee by the State of Florida, the United States, or any agency or instrumentality of any of the foregoing, whether under any grant or loan program or other method of contribution, it being expressly understood and agreed that Grantee shall not receive payments, refunds, reimbursements, rebates or credits from any sources in amounts collectively exceeding 100% of the amounts paid or owing by Grantee. The final funding shall not be funded unless and until Grantee has provided to Triumph satisfactory evidence that all Matching Funds have been expended on the Project.

None of the Grant funds shall be used to pay, reimburse, or recover any overhead or other indirect costs, including, but not limited to, general and/or administrative overhead, facilities overhead, continuing education fees, and auxiliary fees.

Grantee shall seek funding only for costs of the Project as shown or contemplated under the Budget. All amounts paid by Grantee and/or any private person or entity providing Matching Funds with respect to the Project shall be supported by properly executed invoices, contracts, vouchers, and payroll records evidencing in proper detail the nature and propriety of the charges and use of the Matching Funds. All checks, invoices, contracts, vouchers, orders, payroll records, or other accounting documents pertaining in whole or in part to the Project shall be clearly identified, readily accessible, and, to the extent feasible, kept separate and apart from all other such documents.

The total estimated cost of the Project is based upon the Budget. To the extent that the actual cost of the Project exceeds \$29,004,236, Grantee shall be solely responsible for such excess. Using the Grant, its own funds, and funds from other sources (including, but not limited to, the Matching Funds), Grantee agrees to bear the entire cost and expense of the Project, including but not limited to, all costs and all expenses in excess of the total estimated cost of the Project, it being expressly understood and agreed that the Grant shall operate only to pay, on and subject to the terms and conditions set forth herein, a portion of the costs and expenses of the Project. Grantee's failure to be making substantial progress toward awarding not less than 3,820 Net New Milestones shall be grounds for suspension or termination of funding any unfunded portion of the Grant. In addition, Triumph shall have the right, at any time and from time to time upon reasonable notice to Grantee, to access the Project and inspect any work being performed or as completed. Grantee shall also make available to Triumph copies of any and all invoices, contracts, plans and specifications, and other documentation relating to the Project.
