Dear Triumph Board of Directors,

On behalf of the Renaissance Charter School, Inc., I would like to extend our sincere gratitude for your continued support and partnership throughout the duration of our grant initiative. Your guidance and collaboration have been instrumental in helping us reach a significant milestone: our students have successfully earned 537 Industry Certifications, fulfilling the core objective we shared with you at the outset.

As we reflect on this achievement, we have come to the difficult decision that we will be sunsetting our participation in the grant. This decision comes with a sense of accomplishment and appreciation, knowing that the goals we set together have been met with meaningful impact for our students. Thank you again for your unwavering support and commitment to student success. We look forward to future opportunities to collaborate and continue advancing educational outcomes.

Mr. Ken Haiko, Chairman
Renaissance Charter School, Inc.
