TERM SHEET FOR

GRANT AWARD AGREEMENT BETWEEN

TRIUMPH GULF COAST, INC.

AND

GULF DISTRICT SCHOOL DISTRICT
(Project Gulf Schools Fire Safety Training/Project #376)

This Term Sheet summarizes the basic terms upon which Triumph Gulf Coast, Inc. ("**Triumph**") is considering awarding a grant to Gulf District School District ("**Grantee**"), under the Triumph Gulf Coast Trust Fund. This Term Sheet is intended for discussion and negotiation purposes only and (a) does not constitute a grant, or an approval of a grant, by Triumph to Grantee, and (b) does not create any binding obligations on Triumph or Grantee with respect to (i) any grant, (ii) any approval of a grant, or (iii) engaging in any further discussions or negotiations with respect to a grant. Any binding agreement between Triumph and Grantee with respect to any grant must be contained in a definitive grant award agreement (the "**Agreement**"), approved by Grantee and the Board of Directors of Triumph and executed by Triumph and Grantee. At any time prior to such execution of the Agreement, either Triumph or Grantee may terminate negotiations, and upon such termination, neither party shall have any liabilities or obligations to the other.

GRANT AMOUNT: Up to $4,584,600

PURPOSE: To provide partial funding for the following project (the "**Project**"): (i) building renovations to a donated training facility in White City, Florida (the "**Facility**"), to support the establishment and development of the Gulf County Fire Academy Workforce Pathway Initiative, which would establish a regional workforce training pathway serving both Gulf District Schools students and adult learners, providing at least 1,080 net new (i.e., above existing certificate issuance rates) certificates in Firefighter I, Firefighter II, Firefighter III, Emergency Medical Responder, Emergency Medical Technician, hazardous materials, wildland and rural fire operations, and specialized emergency-response training related to electric vehicles and alternative-fuel vehicles or others as approved by Triumph to (a) non-military students who are residents of one of the eight disproportionately affected counties under Section 288.8012(3), Florida Statutes (Bay, Escambia, Franklin, Gulf, Okaloosa, Santa Rosa, Walton, and Wakulla) (the "Affected Counties"), or (b) military, military spouse, and/or military dependent students who are stationed in one of the eight Affected Counties ("**Net New Certificates**"), (ii) equipment, materials, and supply costs, curriculum and training costs, (iii) personnel and (iv) facility lease, all as further described in Grantee's Application for Funds, and any subsequent amendment or supplement, submitted to Triumph (the "**Grant Application**").

CONDITIONS FOR THE APPROVAL OF THE GRANT:

Triumph's approval of the Grant, and any obligation to disburse the Grant, are expressly conditioned and contingent upon the following:

(a) **Matching Funds**. No Grant funds shall be disbursed to Grantee unless there are irrevocable and legally enforceable Matching Funds commitments as described in the Budget (defined below) totaling not less than $922,200 which will be provided by the Grantee, the Gulf County Board of County Commissioners, the Florida State Fire Marshals Association, and other governmental entities to be exclusively used toward completion of the Project as shown in the Budget.

COMPETITIVE BIDS:

For contracts and/or purchases exceeding $325,000, Grantee shall obtain competitive bids when required under the applicable laws, statutes, ordinances, rules and regulations when purchasing services or commodities, or contracting for construction or renovations to public property, and Grantee shall upload a copy of the applicable standards or procedures to Triumph's SmartSheet system and submit for Triumph review. When awarding contracts according to the applicable laws, statutes, ordinances, rules and regulations, Grantee shall award the contract to the lowest cost qualified responsive bidder considering the selection criteria contained within the solicitation. Triumph shall have the right to review and approve the proposed award.

PLANS AND SPECIFICATIONS:

Grantee shall upload to SmartSheet for Triumph's review and approval of the plans and specifications for the construction and any proposed changes to said plans and specifications $65,000 or greater. Triumph shall have fifteen (15) days from receipt of the plans and specifications or proposed change to notify Grantee of its approval or disapproval. If Triumph fails to approve or disapprove of the plans and specifications or proposed change within such fifteen (15) day period, the plans and specifications or proposed change shall be deemed approved. If Grantee fails to upload and notify Triumph, that failure shall be sufficient cause for nonpayment by Triumph.

COMPLIANCE WITH CONSULTANTS' COMPETITIVE NEGOTIATION ACT:

Grantee shall be deemed an "Agency" under, and shall comply in full with, the provisions of Chapter 287.055, Florida Statutes, Consultants' Competitive Negotiation Act with respect to engineering, architecture or

surveying services, and shall certify to Triumph that all selections have been accomplished in compliance with said statute.

OWNERSHIP OF EQUIPMENT AND IMPROVEMENTS: All improvements and equipment purchased with Grant funds shall be owned by Grantee.

FUNDING: The total cost of the Project is $5,506,800 of which (i) a match is being contributed by Grantee and others in the amount of $922,200 (the "**Matching Funds**"), and (ii) up to $4,584,600 is being provided by the Grant. The total estimated cost of the Project is based upon the Budget attached hereto as Exhibit "B" (the "**Budget**"). To the extent that the actual cost of the Project exceeds $5,506,800 Grantee shall be solely responsible for such excess.

Grantee shall submit to Triumph a separate Request for Funding for each Budget category (a "**Request for Funding**") in accordance with the Budget and shall submit information pursuant to a SmartSheet system by Grantee's authorized users. Each Request for Funding may only be submitted after Triumph's approval of the immediately preceding Request for Funding. Each Request for Funding shall include the following items (A) through (H): (A) completed detailed Project account spreadsheet (i.e., in a tab on the Budget), (B) a completed Expense Itemization Sheet in a form provided by Triumph ("**Expense Itemization Sheet**") for each category of funds requested and for Matching Funds category, together with invoices, receipts, or contracts from vendors providing equipment, materials, labor, and services; (C) payroll ledgers, percentage of time dedicated to the Project, and job descriptions as they relate to the Project, (D) documentation evidencing the completion of the work that is the subject of the requested funding, (E) to the extent that any portion of the current funding request is for reimbursement of amounts already paid by Grantee, copies of front and back of cancelled checks for funding, (F) to the extent that all or any portion of the prior funding was a disbursement for items to be paid rather than a reimbursement of amounts already paid, a completed Expense Itemization Sheet and receipts or other documentation evidencing that the funds disbursed previously were in fact paid in the proper amounts to the proper vendors for such items, including copies of front and back of cancelled checks for funding (G) copies of the insurance policies required under the Agreement and evidence that such policies are in current force and effect, and (H) such other documents as Triumph shall require in order to determine that the funding is consistent with the purposes of the Grant. Grantee shall notify the Triumph Program Administrator via email each time a Request for Funding is submitted. Other than the first and final Request for Funding, no single Request for Funding shall be submitted for a funding request amount of less than $114,615. For Grantee's first Request

for Funding, Grantee shall be permitted to submit a request for a funding amount of not less than $57,307. In no event shall the cumulative fundings made by Triumph exceed the $4,584,600 maximum amount of the Grant. Upon Triumph's receipt of (a) notification to the Program Administrator, and (b) a Request for Funding that includes all required supporting documents, Triumph shall have forty-five (45) days from receipt to review and either approve or disapprove of a Request for Funding. If Triumph approves a Request for Funding, then it shall fund the approved amount to Grantee within thirty (30) days after approval. If Triumph disapproves a Request for Funding, Triumph shall deliver a notice of disapproval within such forty-five (45) day period that states the reasons for such disapproval. If the stated reasons for disapproval can be cured by Grantee's submittal of missing or corrective items, Grantee shall have thirty (30) days following receipt of the notice of disapproval to submit such missing or corrective items. If Triumph fails to notify Grantee of its disapproval of the Request for Funding within forty-five (45) days of receipt, such Request for Funding shall be deemed disapproved.

None of the Grant funds shall be used as a reimbursement of items purchased by Grantee prior to the date of the Agreement. None of the amounts paid by Grantee in connection with the invoices submitted in a Request for Funding and then funded by Triumph shall also have been or will in the future be in any manner (a) reimbursed, returned, refunded, rebated, or otherwise credited to, Grantee by any contractor, materialman, vendor, or any other person or entity, or (b) paid, reimbursed, returned, refunded, rebated, or otherwise credited to Grantee by the State of Florida, the United States, or any agency or instrumentality of any of the foregoing, whether under any grant or loan program or other method of contribution, it being expressly understood and agreed that Grantee shall not receive payments, refunds, reimbursements, rebates or credits from any sources in amounts collectively exceeding 100% of the amounts paid or owing by Grantee.

None of the Grant funds or the Matching Funds shall be used to pay, reimburse, or recover any overhead or other indirect costs, including, but not limited to, general and/or administrative overhead, rental or other facilities overhead, continuing education fees, and auxiliary fees.

Triumph will honor Requests for Funding; provided, however, that Triumph may elect by notice in writing not to make a payment if:

(a) Any of the conditions and contingencies described above have not been satisfied, and/or there is missing or incomplete documentation;

(b) The Request for Funding seeks funding for items other than as shown in the Budget or seeks funding for more than amounts actually

invoiced by contractors, materialmen, or other vendors under any contracts;

(c) The amount requested for funding under the Request for Funding, together with all amounts previously funded under the Grant, would exceed the $4,584,600 maximum amount of the Grant; or the amount requested for funding under the Request for Funding for a particular Budget category, together with all amounts previously funded for such Budget category, would exceed the maximum amount allocated to such Budget category; or Grantee failed to use any Grant funds funded to date in the amounts and for the purposes stated in the Budget;

(d) Grantee made a misrepresentation or omission of a material nature in the Grant Application, or any supplement or amendment to the Grant Application, or with respect to any document or data furnished with the Grant Application or pursuant to the Agreement;

(e) There is any pending litigation which may jeopardize or adversely affect the Project, this Agreement, or funding of the Grant; or a receiver or trustee has been appointed for Grantee or a substantial portion of their respective assets; or any involuntary petition for relief under any bankruptcy or insolvency law has been filed against Grantee and has not been dismissed within sixty (60) days; or Grantee has voluntary petitioned for relief under, or otherwise sought the benefit of, any bankruptcy, reorganization, arrangement or insolvency law, or made an assignment for the benefit of creditors;

(f) Grantee has taken any action pertaining to the Project which, under the Agreement, requires the approval of Triumph, and Grantee failed to obtain such approval;

(g) There has been a violation of the prohibited interests provisions of the Agreement;

(h) Grantee is in material violation, default, or breach of or under any provision of the Agreement;

(i) Grantee is in breach of any material representation or warranty contained in the Agreement;

(j) Grantee and/or any federal, state, or local government, organization or agency providing financial assistance to the Project has revoked, suspended, or terminated that financial assistance to the Project, including, but not limited to, the Matching Funds;

(k) The Matching Funds are not being used for the intended purposes and in the amounts and at the times as set forth in the Budget, and/or Grantee has failed to provide Triumph with evidence of payment of the Matching Funds toward completion of the Project;

(l) With respect to previous fundings of the Grant and payments under contracts, Grantee has failed to pay, or has failed to provide Triumph with evidence of payment of, the Grant for the purposes of such funding. Such evidence shall include, but not be limited to, payroll ledgers, state and federal payroll returns, job descriptions, invoices, cancelled checks, wire transfer confirmations;

(m) Prior to December 31, 2035 (the "**Completion Deadline**"), Grantee has abandoned or discontinued the Project, or for any reason the commencement, prosecution, or timely completion of the Project by Grantee is rendered improbable, infeasible, impossible, or illegal, or Grantee has failed to make substantial progress toward achieving the Performance Metrics;

(n) All or any portion of the requested funding includes funding for items that are outside the scope of the Project that is contemplated under the Budget;

(o) One or more of the contracts previously approved or deemed approved by Triumph have been modified, amended, or terminated, or have been subject to a change order, without the prior written consent or deemed approval of Triumph; provided, however, that any change order under $65,000 shall not be subject to approval under the Agreement;

(p) Intentionally omitted;

(q) Without the prior approval of Triumph, the total Project cost as set forth in the Budget, the overall Budget, and/or a particular Budget category, has been cumulatively increased or decreased by more than 5%; and/or the Matching Funds have cumulatively increased or decreased by more than 5%;

(r) The Project is not on schedule for completion by the Completion Deadline and it is objectively unlikely that the Project will be completed by the Completion Deadline;

(s) Grantee has failed to maintain in full force and effect all insurance required under the Agreement;

(t) Grantee is not in substantial compliance with all applicable environmental laws and regulations in accordance with the Agreement;

(u) Grantee is not in compliance with the competitive bidding requirements described above; and/or

(v) Grantee is not in compliance with the equal employment opportunity and other labor provisions as required by the Agreement.

ELIGIBLE COSTS/ DOCUMENT-ATION:

Grantee shall seek funding only for costs of the Project as shown or contemplated under the Budget. All amounts paid by Grantee with respect to the Project shall be supported by properly executed invoices, contracts, and other records evidencing in proper detail the nature and propriety of the charges and use of the Matching Funds. All checks, invoices, contracts, vouchers, orders, or other accounting documents pertaining in whole or in part to the Project shall be clearly identified and readily accessible.

MAINTENANCE OF RECORDS:

Grantee shall establish and maintain within its existing accounting system or independently from its accounting system a detailed listing of all expenses related to the Project. Records of costs incurred under terms of the Agreement shall be maintained in the listing along with supporting documentation and be made available upon request to Triumph during the period of the Agreement and for five (5) years after final payment of the Grant is made.

AUDITS:

The Grant shall be subject to audits and/or monitoring by Triumph. Grantee shall on an annual basis on or before October 31 of each year submit to Triumph an activity report which contains, in addition to any other information requested by Triumph (a) the progress of the Project, (b) costs incurred to date, (c) how the Grantee is progressing toward achieving the Performance Metrics, (d) Grantee's most recent audited financial statements, and (e) such other documents as Triumph shall require in order to determine that the Grant funds previously disbursed and Matching Funds used to date are consistent with the purposes of the Grant. The Grantee's failure to be making substantial progress toward achieving the Performance Metrics shall be grounds for suspension or termination of funding any unfunded portion of the grant.

During the renovation of the Facility, the Grantee shall on a quarterly basis to begin after initial groundbreaking and until obtainment of certificate of occupancy or other similar designation, submit to Triumph an activity report, which includes, at a minimum, (a) the progress of construction of the Facility and Project generally, including documentation evidencing the

completion of the work to date, (b) the cost of the Project incurred to date, (c) contractor monthly reports, (d) reports evidencing the payment of Grant funds and/or Matching Funds toward construction of the Facility, which reports shall include copies of invoices, receipts, or contracts from vendors providing labor, materials and other in connection with the construction of the Facility, together with any of the other items listed in (A) – (H) of "Funding" above, (e) evidence that the insurance required under the Grant Award Agreement is being maintained by the party responsible therefor, (f) an overview of planned future activity for the following quarter, and (g) such other documents as Triumph shall reasonably require in order to determine that construction of the Facility is being completed in accordance with the Plans and Specifications and that Matching Funds used to date are consistent with the purposes of the Grant. Said quarterly construction reports must be submitted one month following the end of each quarter, or on or before April 30, July 31, October 31, and January 31 of each year so monitored. Upon completion of renovation of the Facility, Grantee shall provide Triumph with (a) a certificate of occupancy or other similar designation issued by the applicable governmental agency, and (b) a certificate from the architect of the Facility certifying that the Facility has been completed substantially in accordance with, and without material deviation from, the Plans and Specifications and that the Facility complies with all applicable laws and ordinances, including but not limited to, applicable building, health, and safety codes, and development orders, and is in all respects ready for occupancy, if applicable

In addition, once classes intended for attainment of the Net New Certificates begin, Grantee is required to submit, to begin one month following a full quarter of said classes, a total of four (4) quarterly reports that include, at a minimum, (a) date classes began; (b) total certificates/milestones obtained as of the date of the reporting; (c) enrollment goals; and (d) financial overview. Said quarterly education reports must be submitted on or before April 30, July 31, October 31, and January 31 of the year so monitored.

Triumph shall have the right, at any time and from time to time upon reasonable notice to Grantee, to access the Project and inspect any work being performed or as completed. Grantee shall also make available to Triumph copies of any and all invoices, contracts, plans and specifications, and other documentation relating to the Project. Triumph shall have the right to cease further funding of the Grant in the event that Grantee has not timely provided the reports and the certificates described above.

TERMINATON OR SUSPENSION OF PROJECT: If Grantee abandons or, before completion, finally discontinues the

Project; or for any other reason, the commencement, prosecution, or timely completion of the Project by Grantee is rendered improbable, infeasible, impossible, or illegal, Triumph will, by written notice to Grantee, suspend any or all of its obligations under the Agreement until such time as the event or condition resulting in such suspension has ceased or been corrected, and if not timely corrected Triumph may terminate any or all of its obligations under the Agreement. Upon receipt of any final termination or suspension notice, Grantee shall upon demand by Triumph remit to Triumph all or a portion of the Grant previously received.

APPROVAL OF CONTRACTS/ COMPLIANCE WITH LAWS:

Triumph shall have the right to review and approve any and all third party contracts with respect to the Project requiring the funding of Triumph funds before Grantee executes or obligates itself in any manner. Grantee shall also comply with all applicable laws regarding public records, third party contracts, labor laws, civil rights laws, and environmental laws.

INSURANCE:

At all times during the term of the Agreement, Grantee shall keep and maintain, or cause to be kept and maintained (i) casualty insurance on all improvements and equipment, the cost of which was in whole or in part was paid for using Triumph grant funds, but only to the extent that such improvements and equipment can in fact be insured, and (ii) workers compensation insurance with respect to the construction of any improvements.

PERFORMANCE METRICS/ CLAWBACK:

Any grant funds funded by Triumph to Grantee shall be subject to being repaid ("clawed back") in the event (i) Grantee made any materially false certification or representation to Triumph in connection with its application for the grant, under the Agreement, and/or in connection with any Request for Funding, and/or (ii) Grantee breached, violated, or is in any way in default under any of its obligations under the Agreement, then Triumph shall have the right to demand payment of all amounts of the Grant that were theretofore funded, together with interest at the rate *Wall Street Journal Prime Rate* plus three percent (3%) per annum on such amounts to be repaid ("**Grantee Clawback**"). In addition, in the event both of the following performance metrics (the "**Performance Metrics**") set forth in subparagraphs (a) and (b) below are not achieved, then the Grantee shall repay to Triumph the Performance Metric Clawback Amount (as defined below):

(a) **Performance Metric #1:** By June 30, 2029, Grantee shall award at least 100 Net New Certificates. In the event Grantee fails

to award at least 100 Net New Certificates by June 30, 2029, Grantee shall upon written demand by Triumph repay to Triumph an amount equal to (A) $4,245 multiplied by (B) the sum of (a) 100 minus (b) the actual number of Certificates issued as of June 30, 2029 (the "Repayment Amount").

In addition, by the Completion Deadline, the Grantee shall have awarded a cumulative total of at least 1,080 Net New Certificates. In the event Grantee fails to award a cumulative total of at least 1,080 Net New Certificates by the Completion Deadline, then Grantee shall upon written demand by Triumph repay to Triumph an amount equal to (A) $4,245, multiplied by (B) the sum of (a) 1,080, minus (b) the actual number of Net New Certificates awarded as of the Completion Deadline and minus (C) the amount of any Repayment Amount previously paid to Triumph; and

(b) **Performance Metric #2:** By December 31, 2035, all Grant funds and Matching Funds shall have been expended on the Project as contemplated in the Budget. In the event that by December 31, 2035, the Project is completed but not all of the Matching Funds were expended on the Project as contemplated in the Budget, then Grantee shall re-pay to Triumph an amount equal to (A) ~~$1,399,000~~, 922,200 minus (B) the actual amount of Matching Funds expended on the Project.

Notwithstanding the foregoing, Triumph shall have the discretion to waive, reduce, extend, or defer any Performance Metric Clawback Amount due if it determines in its sole and absolute discretion that (i) a breach of a representation and warranty herein or in the Grant Application, or a breach, violation, or default of or under any other provision of the Agreement, was not material in nature, (ii) based on quantitative evidence, the Performance Metrics were not achieved due to negative economic conditions beyond the Grantee's reasonable control, (iii) the Grantee made a good faith effort to achieve the Performance Metrics, and/or (iv) based on quantitative evidence, the effects of a named hurricane or tropical storm, or specific acts of terrorism, adversely affected the Grantee's ability to achieve the Performance Metrics.

OTHER TERMS AND CONDITIONS: The Agreement shall contain such other terms and conditions as required by Triumph and its counsel.

EXPIRATION OF TERM SHEET: This Term Sheet shall expire, and Triumph shall close its file on, and take

no further action with respect to, the Project, if a definitive Grant Award Agreement is not executed by Triumph and Grantee by the date which is twelve (12) months after the date of this Term Sheet (the "Expiration Date"); provided, however, that at any time within sixty (60) days prior to such Expiration Date, Grantee may request in writing a six (6) month extension of such Expiration Date, which request may be granted or denied by the Triumph Board in its sole and absolute discretion.

By signing below, the parties are indicating a willingness to proceed with having a draft grant award Agreement prepared on substantially the terms set forth herein. However, as indicated above, this Term Sheet is merely intended for discussion and negotiation purposes only and (a) does not constitute a grant, or an approval of a grant, by Triumph to Grantee, and (b) does not create any binding obligations on Triumph or Grantee with respect to (i) any grant, (ii) any approval of a grant, or (iii) engaging in any further discussions or negotiations with respect to a grant. Any binding agreement between Triumph and Grantee with respect to any grant must be contained in a definitive grant award Agreement, approved by Grantee and the Board of Directors of Triumph and executed by Triumph and Grantee. At any time prior to such execution of the Agreement either Triumph and/or Grantee may terminate negotiations, and upon such termination neither party shall have any liabilities or obligations to the other.
